Co-sponsored by the Art Department & University Extended Education at Cal State Fullerton

Cal State Fullerton offers the very popular Art Camp and Math classes each summer for kids and teens, ages 7-14. Art Camp offers a great opportunity for kids to explore their creativity with fun and challenging projects. Older students ages 12-14 will be grouped together and will have the opportunity to broaden their artistic perception and skill level with more advanced projects. Weekly Classes are designed to prepare and tutor students, grades 5 and up in Geometry and Algebra. There's a special Painting & Drawing class offered as well. All classes are on the CSUF campus.

Art Camp for Kids 7-14
